Editor-in-Chief
Morcohi - 1963

It isn't an easy task to present in words or pictures a subject that is almost as vital to us as heartbeat and breathing. From the pages that follow in this edition of MORCOHI, the annual staff hopes that it has recaptured the great SPIRIT OF MORGAN COUNTY HIGH!!! A spirit that has impressed our faculty, our athletes, parents, people of this area and visitors to our school . . . a phenomenon that should not go unrecognized and we hope that it will never die in the hearts of those who are interested in Morgan County High School.

*"M. . . . C. H. S.
a
Little
Louder!!!"*

The earth-shaking chant has been adopted as an integral part of our pep rallies and ballgames this year. Without our "friendly-pepper-upper" PAUL SUMMERFORD, our spirit would not have reached the height that it did.

Remember those rousing yells at ballgames and pep rallies even when the basketball or football team was losing . . . the standing ovations given the teams and coaches . . . more enthusiastic cheerleaders than ever before . . . a more responsive faculty at pep rallies . . . those clever impromptu speeches made by the captains . . . and Coach Gain's speech at the last football rally and at the banquet.

When a student body has a spirit that affects coaches and teams as our spirit has . . . it's bound to be G R E A T ! It's a part of all of us and we are all a part of it.

None can say who or what is solely responsible for it, but the Morcohi Staff would like to say a million cheers for PAUL SUMMERFORD . . . one of the best examples of our spirit at M. C. H. S.

Of all the memories cherished by our students, we hope that "M . . . C. H. S." will always ring in their hearts and minds "A LITTLE LOUDER!!!"

Student Council President

HAMIL ALDRIDGE

To the student body and faculty I would like to say that it has been a wonderful privilege and opportunity to have shared in your school experiences for the past several years. I assure you these experiences have been very pleasant to me.

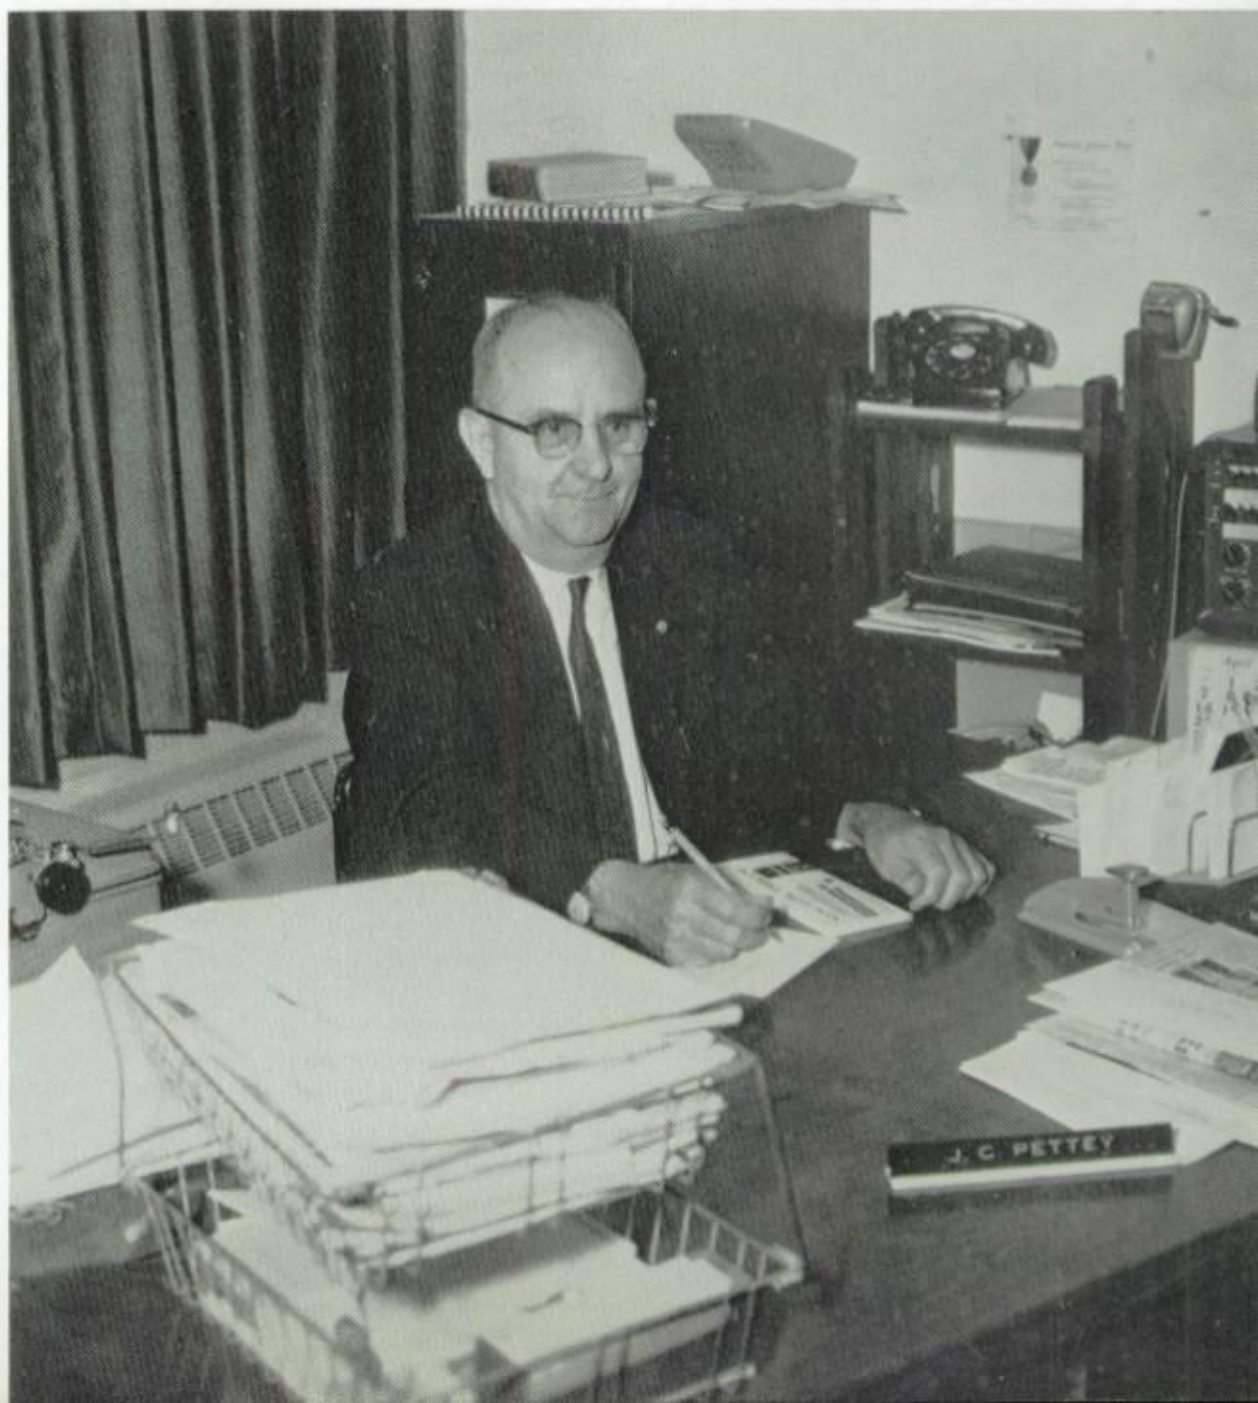

I have profited a great deal from our association together. I hope you have gained something from our contacts that will make you better men and women.

Congratulations to the Annual Staff, and your sponsor, Miss Bryant, on an excellent job in preparing this annual.

May I wish the seniors a happy and successful life.

To one of Morgan County High School's greatest "teams" . . . Mr. and Mrs. Pettey . . . the 1963 Morcohi Staff fondly dedicates this yearbook. During the PTA farewell program for Mr. Pettey, he commented that he could not have made the accomplishments that he has without the help of Mrs. Pettey. In faculty meetings Mr. Pettey usually asks: "Have I left anything out, Beulah?" Both have been true friends to every pupil and teacher that they have come in contact with. For nine years Mr. Pettey has been the head janitor, plumber, electrician, carpenter, doctor, nurse, lawyer, and principal at M.C.H.S. . . . Mrs. Pettey has been one of the seventh grade teachers and we could go for 90 and 9 more years and not find another "team" like them.

TO MRS. PETTEY - Welcome back!

TO MR. PETTEY - We hope that the other schools in Morgan County will appreciate your kindness and understanding as much as we at M.C.H.S. May you have the success in your new job that you deserve.

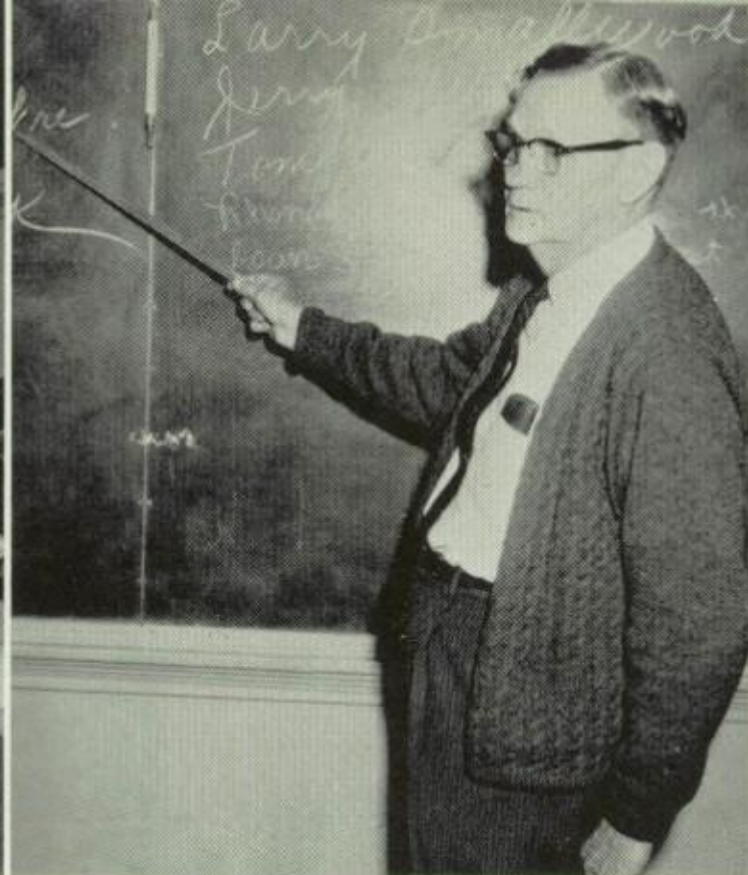

. . . the Faculty has a spirit all its OWN!!!

REPRESENTATIVES: Barry Mitchell; Lynn White; Mike Sparkman; Johnny Newman; Judy Clemons; Jerry Burchell; Jane Bennett; Debbie Glasscock; Betty Wallace; Regina Irwin; Jane Pickens; Mrs. Pettey - Sponsor.

The Junior High Council has been an active group this year with a good portion of Morgan County High School spirit of cooperativeness.

Projects undertaken included: Clean-Up Campaigns and Litter-Bug Contest

Good Sportsmanship Poster Contest

Helped with Kid's Day and Thanksgiving Baskets

Co-Sponsor of Valentine King and Queen Contest

Co-Sponsor of Talent Program and Participated in Program

Worked on Scholarship for Juniors

*Student
Council*

OFFICERS: (SEATED) L-R: Paul Parker - Vice-President; Hamil Alridge - President; Carol Jane Hutson - Secretary-Treasurer.

REPRESENTATIVES: Frank Parker; Frank McDaniel; Linda Harris; Miss Lizzie Reed Penn, Sponsor; Venita White; Pamela Sams; Mary Crowe; Carolyn Teague; Ann Glenn; Johnny Newman; Gary Bentley.

The Student Council provides the main cog for extracurricular activities on the campus. Their projects are a variety of service to the school and community as well as amusement and entertainment for the students and faculty. Orientation of new students and teachers, homecoming program, football father-son night, kid's day, and visitation day for the sixth grade are all worthwhile and memorable events at MCHS. Perhaps the projects that produce the most money, laughs, and student participation are the valentine contest and Sadie Hawkins day. From our hodge-podge of money making schemes used by the valentine contestants we know that MCHS is producing the financial wizards of tomorrow. And . . . from Sadie Hawkins day we found the comedians, song writers and singers, and all sorts of "spirits."

THANKS TO MRS. BARCLIFT

for

Dear Seniors of 1968:

A gray loneliness settles over me at this time each year when I realize that my "sons and daughters" that have been petted and spanked for six years have left me. I can still hear the rustle of your gowns and hear the important swishing of your tassels as you proudly walk in my new hall.

Your party isn't over . . . it has just begun. Life is spread before you and you have the qualities to keep you on the right paths . . . some of you may get sidetracked but you will be all the wiser after your detour!

You will not miss me . . . there will be other activities, other athletics, other subjects to study, other friends who will be just as dear, and a completely new alma mater for some of you. No . . . you'll be busy while I am here, still and silent with my thoughts. Somehow you have been a special joy to me during your years here . . . maybe part of my sentiment is because you were the first senior to walk in my new halls . . . maybe it's because you were a "fun" class . . . you see, I like for you to enjoy life to the fullest . . . but then, I admire you because you have so many outstanding members in your group . . . it's been many years since I've turned out a splendid crop of brains, leadership, talent, and athletic abilities such as you have exhibited.

You haven't pulled too much wool over my eyes . . . I'll admit that most of me is old and senile, but my hearing hasn't been impaired by all your shouts, your laughter and your clatter of gossip, jokes, and gripes. My walls have many ears . . . I know your problems; your mischief; your disappointments; your achievements and hard work; your maturity and your immaturity; and your hopes and fears. I've shared your glory and I've helped to bear your shame and your sorrows; I've understood your perplexities concerning tests, charts, themes, booklets, practice sets, hours of exercise, Macbeth, and most recently, trigonometry homework. I've watched you skip classes, go to the D.Q., write on my desks and walls, throw paper on my floors and grounds and abuse me in many ways . . . but you are still my own "flock" and I think that you have learned to be good citizens and you are the kind that makes America great.

In the future, will you save time for an occasional thought of me? And . . . if you really feel like splurging . . . take a few minutes off and come back to visit. I'll know your footsteps and the sounds of your voices.

Always remember this: what you have done here has been your accomplishment--individually and collectively--I haven't been able to do nearly as much for you as you have done for me!

My fond good wishes go with each of you,

Morgan County High

On the city's southern border,
Reared against the sky,
Proudly stands our alma mater,
As the years roll by.
Forward, ever, be our watchword.
Conquer and prevail,
Hail to thee our alma mater,
Morgan High all hail.
